How to buy maps from the FAA website.

You will need to purchase three maps. Each map costs $5.25. Two of the maps are “high-level” maps—H3/4 and H9/10. The third map is an “area” map.

b. To purchase the “area” map go to http://naco.faa.gov/ecomp/ Click on “Instrument Navigation Chts” on the left. Then click “Enroute Low Altitude”. Click on the AREA product. You will have two choices, current edition or new edition. Please purchase the new edition, effective February 9, 2012 to April 5, 2012. Complete the purchasing instructions that follow.
