How to buy maps from the FAA website.

You will need to purchase three maps. Each map costs $5.25. Two of the maps are “high-level” maps—H3/4 and H9/10. The third map is an “area” map.

a. To purchase the “high level” maps H3/4 and H9/10 go to http://faacharts.faa.gov/. Click on “Instrument Navigation Chts” on the left. Then click “Enroute High Altitude”. Next, click on each product. EHUS9 for H9/10 and EHUS3 for H3/4. You may have more than one choice. Please purchase the edition that is effective from December 12, 2013 to February 6, 2014. Complete the purchasing instructions that follow.

b. To purchase the “area” map go to http://naco.faa.gov/ecomp/ Click on “Instrument Navigation Chts” on the left. Then click “Enroute Low Altitude”. Click on the AREA product. You may have more than one choice. Please purchase the edition that is effective December 12, 2013 to February 6, 2014. Complete the purchasing instructions that follow.
